Public Comment

Date 4/20/98

APR 22 1998

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I support solutions that focus on improvements in recycling and reclamation, along with educational programs that teach us about those technologies, how to conserve water, and help keep it clean by knowing product ingredients that are difficult to filter out or process.

(Please see attached for a continuation of this statement.)
