Date 4/16/98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Conservation is the real solution to our "Bay-Delta problems.

Please implement measures which do not include more canals, storage reservoirs, dredging or water diversion. Instead, stop making taxpayers foot so much of the ~~[illegible]~~ water bill for large chemical laden corporate farms. I support a solution that promotes water saving programs. Sustainability is the key!

Name: E. Grant Shumpert
