APR 23 1998

Date 4-14-98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Conservation is the real solution to our Bay Delta problems

Please find a way that does not include more canals, storage reservoirs, dredging or water diversion. With so much water falling from the sky, surely now is the time to consider alternatives.

Thank you for your consideration.
