The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

CALFED's proposals for the Bay-Delta are unacceptable. We don't need any more dams, canals or reservoirs — We need conservation now! We cannot allow the large agribusinesses to continue to waste and pollute our water supply at the cost of the destruction of our Bay and Delta and the loss of our wetlands.
