CALFED BAY-DELTA PROGRAM

Public Comment

MAY 12 1998

Date 5/4/98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Conservation is the answer to our bay delta problems. Please change measures to not include canals, storage reservoirs and water diversion. Stop making tax-payers pay so much of the water bill for large farms. The only way to replenish the bay and delta is to use less water. Thank you for your time.
