CALFED Bay-Delta Program

Re Final Programmatic EIS/EIR

Dear Mr Ritchie

I am a rancher and businessman in Tuolumne County I have Taken an active Role in commenting on Cal Fed Issues I am asking that you extend the Time to read and comment on the Final E.I.R. released July 21. I also believe another set of public hearing is in order so we who must abide by it can understand how we The People fit into the plan

Cal Fed need to move quickly and sincerely to develop surface water storage to address the needs of The People. Water Conservation cannot make the same strides it has made in the past

Sincerely
John Vislienzoni
