Dear Director Snow:

I'm writing to you in regards to the CAL FED BAY DELTA program. the proposal involving farmlands, water and habitat needs to be abolished.

the implentation of this plan will ruin the <u>economy</u> and agricultural status of San Joaquin County.

I'm not for this plan and am asking to cease further action on it.

Thank you.

Sincerely,
Mary Jeanette Arriaga
(a member of San Joaquin C.W.A.)
