Sir:

San Joaquin Delta and S.J.C. has concerns about the Cal-Fed Bay Delta proposals.

The agricultural community is aware it must give up some land for water storage. The loss of 200,000-600,000 acres of farming land is not acceptable.

Cal Fed must strengthen water rights and not base its solutions on redirected agricultural water and conversion of farm land. Find an alternative to flooding of farm land.

Sincerely,
Marilyn McGlynn
