Dear Executive Director Snow, JUL 01 1998 01502

I am writing to ask that you please ensure that CalFed puts forth & selects a new "Smart Alternative" based on conservation & restoration. ~~E~~ We know it can be done while still ensuring plenty of water for our state.

It is a rare opportunity that we have right now & so very much is at ~~stake~~.

Thank you very much.

Sincerely,

Rebecca Ciconia
