The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I am apalled that the Los Vaqueros project may be made bigger so that water could be diverted to Southern California. This is WRONG!! During the last severe drought - we were rationed - not So. Cal - who is already stealing our water. DO NOT INCREASE THE PROJECT FOR THE SAKE OF SO. CAL!! There is too much at stake.
