CALFED BAY-DELTA PROGRAM

AUG 09 1999

Public Comment

Date August 7, 1999

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I am concerned that the health of the SF Bay-Delta is endangered by continued push to send more & more of Northern California's water south.

The agribusiness should learn to use water more efficiently, with less waste.

The Bay-Delta is too large an area to endanger, it would be a great environmental loss.
