WORKSHOP 6 – 10 DRAFT ALTERNATIVES

Please use this sheet to provide the Program with your questions and comments on the 10 draft alternatives.

I. Questions about Alternatives

A. What questions do you have about the process used to construct the 10 alternatives?

B. What questions do you have about the specific alternatives?

Workshop 6 Packet - Participant Worksheet - 1

Please use this worksheet to guide your participation in the breakout sessions. At the conclusion of the session, give this worksheet to the facilitator of your small group. If you cannot attend the meeting, please mail it to: CALFED Bay-Delta Program, 1416 9th Street, Suite 1155, Sacramento, CA 94814 by April 30. Comments will be compiled and considered by CALFED staff in their refinement of alternatives.

II. Comments on Alternatives

Each alternative represents a combination of different components. Participants are asked to focus particularly on the components of each alternative.

- Which actions work well?
- Do the components work well together? Which components should be restructured or strengthened?
- Are there operational constraints to implementing actions? Does the staging and sequencing seem well integrated?

Note: The sequence of the alternatives is the same as displayed in the table "Key Components of Alternatives"
