Dear Mr. Lowry,

I am writing to state that I am very upset regarding this CALFED plan.

CALFED

It appears to me that if we were to better manage our water conservation (ie more efficient and advanced irrigation systems) we would not need these new + additional add-on's to existing dams.

I want our wildlife + rivers for myself + my children. Your CALFED plan is an example of ~~[illegible]~~ government out of control.

I urge you to use common sense and prudence in adding sort of dam planning to CA.

Respectfully, Marlene O'Neill
