Public Input

Date: 25 Oct 1995

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments.

If your comments are related to a CALFED public workshop or meeting, what was the date of that event? 25 Oct 1995 - Oakland, CA

Comments: This is my first contact w/ CalFed Program. The introduction to the problem, issues and objectives was very well done. Your plan appears very ambitious and past track records on the issue, individually or comprehensively have not been very successful. Best of luck!
