6:30-7:00	Meet and greet.	Everyone.
Moments before 7:00	Ask attendees to find their seats.	Lester
7:00	<p><b>Welcome &amp; Introductions</b></p> <ul style="list-style-type: none"> <li>▶ Welcome to the CALFED Bay-Delta Program Public Scoping Meeting.</li> <li>▶ Introduce staff, BDAC members.</li> <li>▶ For anyone who is new to the CALFED Bay-Delta Program, we are a state and federal program that tries to involve all Californians in solving resource management problems in the Bay-Delta, problems that affect our entire state.</li> <li>▶ This meeting is designed to be informal. Feel free to raise your hand to ask questions at any time.</li> <li>▶ But please speak into the hand-held microphone that will be passed to you so that everyone can hear your questions.</li> </ul>	Lester. Judy give Lester a list of staff, BDAC & elected officials in attendance.
7:05	<p><b>Review of Agenda and Meeting Purpose</b></p> <ul style="list-style-type: none"> <li>▶ The first purpose of our meeting is to get your help in defining the scope of the environmental review for our project. We hope you will tell us what issues should be studied in the environmental review, and what issues are not relevant and don't require study. The second purpose of our meeting is to get your input into the ten draft alternatives. We're here today to listen to you.</li> <li>▶ Use overhead to illustrate types of issues on which input is desired. Use overhead &amp; handout listing questions to help audience start preparing for public comment.</li> <li>▶ Use overheads to illustrate difference between programmatic &amp; project-level.</li> </ul>	Rick B.

7:10	<p><b>Overview of the CALFED Bay-Delta Program Process</b></p> <ul style="list-style-type: none"> <li>▶ Use slides and overheads as desired.</li> <li>▶ Illustrate Bay-Delta problems (using text and photographs).</li> <li>▶ Mission, objectives, solution principles</li> <li>▶ CALFED agencies</li> <li>▶ 3-Phase Process</li> <li>▶ Where scoping fits into Phase II.</li> <li>▶ Alternative development process.</li> <li>▶ Alternatives will continue to be refined throughout Phase II.</li> </ul>	Lester
7:20	<p><b>Ten Draft Alternative Solutions to Bay-Delta Problems</b></p> <ul style="list-style-type: none"> <li>▶ Explain distinction between reoperation, combination, &amp; restructuring.</li> <li>▶ Use overheads &amp; posters of conceptual "triangle" maps and/or detail maps to explain: A,D,F; B,C,E,G; H, I, J.</li> </ul>	Steve
7:45	<p><b>Public Comment</b></p> <ul style="list-style-type: none"> <li>▶ All input will be recorded on flip charts in the front of the room and on a laptop computer.</li> <li>▶ So that everyone can participate, please limit your remarks to 5 minutes. If your comments are essentially the same as the previous person's, please simply state that you endorse the previous speaker's message.</li> <li>▶ Steer speakers away from blanket endorsement or rejection of particular alternatives. Encourage them to frame remarks in terms of issues that should be addressed in the EIR/EIS and/or specific aspects of alternatives that should be changed.</li> </ul>	Rick (Zach, Mary S. provide microphones; Judy record on flip charts; Beth record on laptop)
8:55 or thereafter	<p><b>Conclusion</b></p> <ul style="list-style-type: none"> <li>▶ Your input will be compiled and made available immediately to staff who are refining alternatives.</li> <li>▶ Input will also be compiled into a report which will be used to design the environmental review process. To receive a copy of this report in the mail, please sign up in the back of the room.</li> <li>▶ Thank you for coming.</li> </ul>	Lester
