The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Wasn't the first responsibility of Cal Fed to coordinate a plan that will assure a secure and consistently supply of high quality water to the ever growing population of California. Wildlife and humans are the population of California. What benefits them both will be good for all – We must have storage and high producing farmland to meet future needs of both.

Name: Bud Freitas

Organization: Kings County Farm Bureau

Address: 15220 13th Ave.

Hanford 93230

Phone: 559 582-0608 Fax:
