Mr. Steve Ritchie, Acting Exe Dr.
Cal-Fed Bay-Delta Program
1416 9th St Suite 1155
Sacramento, CA 95814

Dear Mr. Ritchie

I would request that you extend the time to adequately read and assimilate the final EIR released July 21.
I also feel that Cal-Fed should hold public hearings on the Plan so we may better understand its workings.

It is acknowledged that there may be "irreversible and irretrievable" impacts on a quarter million acres of Calif. Rangelands. Cal-Fed does not address these lost lands, simply notes that it is "unavoidable".
The Plan needs to research the Rangeland loss.

Sincerely
