Steve Ritchie
Cal Fed - Delta
1416 9th ST Suite 1155
Sac, Ca 95814

Im a farmer in San Joaquin county. Ive attended 3 cal Fed hearings last year. often listening to all the testomony; we need more storage for farmers, citys and fish.

The goverment already owns to much land in calif, Cal Feds proposals to buy more is wrong.

~~The~~ I need you to extend the time, for me to evaluate the new environmental report.
