SUBJECT: DOC Response to USBR Discussion Paper.

Tom Graff and Jerry Butchert each presented draft responses to the USBR "Discussion Paper" at the DOC meeting yesterday. They are going to work together toward a ~~sg~~ single response acceptable to the full DOC committee.

They asked me to get their drafts to each committee member absent yesterday as quickly as possible, so you could provide comments to them. Either phone or FAX your comments to Jerry or Tom by Wed Aug. 14. They are working toward a finished response by Aug. 19.
