CALFED Mgt
FULL CALFED

CALFED Agencies must commit to addressing issues
w/i agencies + between agencies

* Need another CALFED Mgt. Tea in June

Cat III

Functional Work Group - change to team.

Need to force Stakeholders to coord. efforts.

Recruitment - broad as possible

- Standards - Baseline
  - Need to do more work.
  - Come up w/ connection w/ B_2 Water

* - Lowell will develop approach
- Need to work w/ State -

* Next CALFED Mgt. Team?

Ops

3 activities

1) Winter-run - beyond red-lite.

Fed. agencies committed than water volunteered + could not be made up would be made up w/ B_2 water.

Barriers

- Need Biol. Opinion for temp. barriers. - asked originally for 20% of
- FWS would like to have several screens involved, in-Δ Diversions screened
- Opinion will be out today.

* Barriers

* Will set up a Mgt. level meeting next week.

E-000585

South Δ

- Draft EIR/EIS - first of June

- Fish screens on ind Δ diversions
  More appropriate

San Joaquin Trib.

- Highly technical work needs to be done
- Recognize issue + commit to assisting to reconcile.
- Set up small meeting of CALFED + stakeholders.
  Acknowledge that there is an issue here.
