

Memorandum

Date: September 9, 1996

To: CALFED Bay-Delta Program Coordination Team

From: Lester A. Snow, Executive Director
CALFED Bay-Delta Program

Subject: Draft Existing Conditions Resource Reports for use in the Programmatic EIR/EIS

CALFED Bay-Delta Program consultants have completed draft affected environment reports for 20 resource categories. Please note that these reports are focused on resources in the "problem area" (Bay-Delta region). Summaries of this information, when combined with information from the "solution area," will represent the affected environment for the CALFED Bay-Delta Programmatic EIR/EIS.

This memorandum is being sent to let you know that we will be distributing these draft reports for your review on or about September 23, 1996. The draft reports are entitled:

1. Water Management Facilities and Operation
2. Water Quality
3. Geomorphology and Soils
4. Bay-Delta Hydrodynamics
5. Air Quality
6. Estuarine/Aquatic Resources
7. Wetland/Terrestrial Habitats
8. Special Status Species
9. Fish Resources
10. Land Use
11. Recreation
12. Fish, Wildlife, and Recreation Economics
13. Regional Economics
14. Flood Control System
