UNIVERSITY RELATIONS
BERKELEY, CALIFORNIA

June 16, 1999

Dear Governor Davis,

I am writing to encourage you to help protect California's rivers, bays, and drinking water through the "CALFED Bay/Delta" program, which can help to save and protect the state's water resources for the next fifty years. Please help to establish this important and lasting legacy through the "CALFED/Bay-Delta" program.

Thank you for your thoughtful consideration.

Sincerely,

Elizabeth Williams
