Lester Snow
Executive Director
CALFED Bay-Delta Program
1416 9th Street, Suite 1156
Sacramento CA 95814

SEP 16 1998

Dear Mr Snow,

Conservation is the real solution to our Bay-Delta water problems. Please implement measures which do not include more canals, storage reservoirs, dredging, or water diversion.

I support a solution that promotes water saving programs on our farms and in our cities. The only sustainable way to replenish the Bay and Delta is to use less water.

Sincerely
Leonard Leving
