Conservation is the real solution to our Bay Delta problems.

Conservation - look up the meaning and hold to it.

Please implement measures which do not include more canals, storage reservoirs, dredging or water deversions.

Instead stop making taxpayers foot so much of the water bill for corporate farms. I support a solution that promotes water saving programs on our farms and in cities. The only sustainable way to replenish the Bay and Delta is to use less water.

Very little building allowed
and/or
Desalinate the Ocean Water

Sincerely
Doris Cardona
