OCT 0 5 1998

Dear Mr. Snow

Conservation is the real solution to our Bay Delta problems. Please implement measures which do not include more canals, storage reservoirs, dredging or water diversion.

Please stop making taxpayers pay so much of the water bill for large corporate farms. I support a solution that promotes water saving programs on our farms & cities. The only way to replenish the Bay & Delta is to use less water.

Sincerely
V. Gorchenko
