Lester Snow, Director
CALFED Bay-Delta Program
1416 9th St., Suite 1155
Sacramento CA 95814

Dear Sir:

Please do not build any more canals or reservoirs for our water. CA farms and cities need to focus on saving water + conserving this precious resource. The Bay + Delta wetlands need to be restored as much as possible. So the long-term solution to sell to everyone is Water Conservation! I support you in this effort.

Yours truly,
Marjorie Daugherty
