DEAR MR. SNOW;

RE: THE REVISED CALFED PLAN - I AM OPPOSED TO INCREASING SURFACE STORAGE IN THE CENTRAL VALLEY BY MEANS EXPRESSED IN THE PLAN

CALFED SHOULD AUGMENT WATER EFFICENCY, CONSERVATION + RECLAMATION INSTEAD OF BUILDING DAMS + DIVERSIONS

CALFED SHOULD PURSUE ITS RESTORATION GOALS IN THE C.V., ACQUIRE RIVER HABITAT + INCREASE INSTREAM FLOWS FOR WILDLIFE + RECREATION

BUILDING DAMS IS NOT A SOLUTION TO OUR STATE'S WATER CHALLENGES — CONSERVATION, NOT CONSTRUCTION.

SINCERELY,

JUSTIN LANE,
SF CA
