CALFED BAY-DELTA PROGRAM

Public Comment

Date 8-24-99

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I oppose more dams, canals, + reservoirs being built to just help big business in Southern California. I have seen little or no use of big business ability to control or conserve Southern Cal. our water resources and give us in the Bay/Delta area should not continue to destroy ~~and~~ our own resources. If CALFed ~~pass~~ decides to build let big business pay for their own use.
