Dear Mr. Lang:

By means of this letter, we are requesting three individual cost estimates of the required hours and costs to complete the task items we have identified for each of the attached Task Orders of the contract between DWR and Jones and Stokes Associates (B-59818). The cost estimates and tasks should be completed in close consultation with Mr. Ron Ott, the CALFED Bay-Delta Program consultant coordinator.

We would appreciate receiving the requested information by the close of business December 21, 1995. If you have any questions, please call me at (916) 657-2666 or contact Victor Pacheco at the same phone number.

Sincerely,

Steve Yaeger, Program Deputy Director
