CALFED Bay-Delta Program

Public Notice

The CALFED Bay-Delta Program released a Draft Programmatic Environmental Impact Statement/Environmental Impact Report (Draft Programmatic EIS/EIR) on March 16, 1998, for public review and comment. The CALFED Bay-Delta Program is a cooperative effort by 15 state and federal agencies with regulatory and management responsibilities in the San Francisco Bay-Sacramento/San Joaquin River Bay-Delta to develop a long-term plan to restore ecosystem health and improve water management for beneficial uses of the Bay-Delta system. The CALFED Program includes a range of actions that may affect the San Francisco Bay-Sacramento/San Joaquin Bay-Delta, Suisun Marsh and Bay, Central Valley floor and Watersheds, and Central and Southern California water service areas.

Written comments are due by June 1, 1998

Public comments can also be submitted orally at one of the 12 public hearings which will be held at various locations around the state. For copies of the Draft Programmatic EIS/EIR and/or information on public hearings, please contact the CALFED Bay-Delta Program at 1-800-900-3587. Written comments on the Draft Programmatic EIS/EIR should be addressed to Rick Breitenbach, CALFED Bay-Delta Program, 1416 Ninth St., Suite 1155, Sacramento, CA 95814-5509.

nen que mantener en muchos casos a sus hijos o a sus familias, en otros puntos del país.

Detalló que las preadolescentes se maquillan y se visten de tal forma que logran engañar en algunos casos aparentando ser mayores de lo que en realidad son.

Sin embargo y pese a que esta actividad es conocida no sólo por las autoridades sino por la sociedad misma, la indiferencia social se manifiesta cuando estas niñas preadolescentes lo ejecutan a plena luz del día ante la insensibilidad de propios y extraños, reconoció.

Tal vez, manifestó el funcionario, porque demasiado tienen con sus problemas para detenerse a reflexionar en el futuro de estas menores.

**Can You Buy a New \$1900
Air Conditioner for only \$678?**

Yes, it's absolutely true, you can actually replace your old (and probably very inefficient) A/C unit and furnace for at least \$1222 less than you will pay in just a few more weeks.

Buy With No Cash

You don't even have to pay now. You can pay in "6 months same as cash," or finance at low bank rates. (o.a.c.)

Let Me Explain

You probably know that the busiest season for heating and air conditioning is winter. But the idea of using educational

Public Notice

The CALFED Bay-Delta Program released a Draft Programmatic Environmental Impact Statement/Environmental Impact Report (Draft Programmatic EIS/EIR) on March 16, 1998, for public review and comment. The CALFED Bay-Delta Program is a cooperative effort by 15 state and federal agencies with regulatory and management responsibilities in the San Francisco Bay-Sacramento/San Joaquin River Bay-Delta to develop a long-term plan to restore ecosystem health and improve water management for beneficial uses of the Bay-Delta system. The CALFED Program includes a range of actions that may affect the San Francisco Bay-Sacramento/San Joaquin Bay-Delta, Suisun Marsh and Bay, Central Valley floor and Watersheds, and Central and Southern California water service areas.

Written comments are due by June 1, 1998

Public comments can also be submitted orally at one of the 12 public hearings which will be held at various locations around the state. For copies of the Draft Programmatic EIS/EIR and/or information on public hearings, please contact the CALFED Bay-Delta Program at 1-800-900-3587. Written comments on the Draft Programmatic EIS/EIR should be addressed to Rick Breitenbach, CALFED Bay-Delta Program, 1416 Ninth St., Suite 1155, Sacramento, CA 95814-5509.
