Mr. Lester Snow  
Executive Director  
CALFED Bay-Delta Program  
1416 Ninth Street, Suite 1155  
Sacramento, California 95814

Dear Mr. Snow:

Last week, I wrote to Governor Pete Wilson and U.S. Interior Secretary Bruce Babbitt regarding NCWA's perspective on the CALFED Bay-Delta Program's draft environmental report. A copy of NCWA's letter is enclosed for your review.

NCWA supports the CALFED Bay-Delta Program and will continue to work with CALFED agencies to develop an equitable program to restore the Bay-Delta ecosystem and water supplies for California's cities and farms.

If you have any questions regarding NCWA's perspective on the CALFED report, please contact me at your convenience. Thank you.

Sincerely,
