...SCHEDULED FOR THE DELTA TO CALFED PROGRAMS...
...TO BEYOND THE PROPOSED DELTA TO CALFED PROGRAMS...

April 24, 1998

Mr. Lester Snow
Executive Director
CalFed Bay/Delta Program
1416 Ninth Street - Suite 1155
Sacramento, CA 95814

Dear Mr. Snow,

I am writing to urge that you extend the comment period and the timeline for finalizing the CalFed program. I'm sure you'll agree that the scope of the plan makes it critical that it is well understood and supported. Given the complexity of the issues, more time is required to make sure the end result has the benefit of the best possible input. We are just two of many who are still trying to understand the alternatives and the associated issues. Please extend the time for comments to allow this important project to get full consideration.

Thank you.
