Dear Executive Director Snow:

I am writing to request that CalFed extend the comment period for the Draft Programmatic EIR/S by 75 days. Given the breadth and complexity of the issues addressed in the CalFed process and the length of the document, I believe that the current comment period is unrealistic. I further request that you extend the timeline for the entire CalFed process to accommodate a longer public comment period.

Please respond as soon as possible. Thank you for considering my request.

Sincerely,

  
Thomas J. Davis  
Concerned Citizen
