Dear Executive Director Snow:

I am writing to request that CalFed extend the comment period for the Draft Programmatic EIR/S by 75 days. Given the breadth and complexity of the issues addressed in the CalFed process and the length of the document, I believe that the current comment period is unrealistic.

For most of us, reviewing this document is volunteer work, and it must be accomplished outside of regular working hours. Also, most grassroots organizations meet only monthly, and comments cannot be approved quickly.

I further request that you extend the timeline for the entire CalFed process to accommodate a longer public comment period.

Thank you for considering my request.

Sincerely,

Elisabeth M. Brown, Ph.D  
President
