MAY 05 1998

May 2, 1998

Mr. Lester Snow, Executive Director
Cal-Fed
1416 Ninth Street, Suite 1155
Sacramento, CA 95814

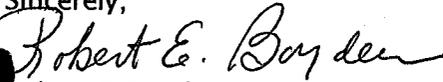

Dear Sir:

Enclosed are some facts regarding our proposal to substitute for an isolated conveyance as a solution for California effort to supply larger quantities of fresh water to the south state.

Enclosed also are copies of some correspondence.

All this represents our report, due before June 1.

Sincerely,

Robert E. Boyden
