Public Comment

APR 23 1998

Date 4-16-98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

California needs to develop a policy that protects our fresh water systems and natural water aquifers while recognizing that we are an agricultural state with an agri based economy.

There has to be a way to protect our assets. Unlimited growth and building are contra to this concept.
