The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

A common concern among many Northern Californians including myself is the ongoing receipt of Southern California that they are entitled to as much water as they desire on an unlimited basis. It is not that N. CA is unwilling to share but they deserve compensation or a fair trade or more importantly a block to the depletion of natural

Name: Carol Penara under such as Mono Lake
