> Dear Executive Director Snow:

> I am writing to request that CalFed extend the comment
 period for the

> Draft Programmatic EIR/S by 75 days. Given the breadth and
 complexity

>of

> the issues addressed in the CalFed process and the length
 of the

> document, I believe that the current comment period is
 unrealistic. I

> further request that you extend the timeline for the entire
 CalFed

> process to accommodate a longer public comment period.

> Please respond as soon as possible. Thank you for
 considering my

> request.
