The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

*CAL-Fed must ASSURE Farmers & Ranchers that their surface & groundwater rights will be protected, enhanced & strengthened by the CAL-Fed process. CAL-Fed must honor the government's long standing promise to protect regions where water originates. CAL-Fed must increase the water storage capacity to protect agricultural water rights & to provide flood control benefits*
