## Give Us Your Input!

Public input from thousands of Californians has already helped shape the CALFED Bay-Delta solution. However, there are many significant issues that still need to be decided. Please fill out this form and tell us what you think is important when developing an equitable, feasible and durable Bay-Delta solution.

### Comments:

Need more surface storage - Not in North but in South. Fill in canals when an ~~great~~ <sup>greater</sup> volume of water and elect. is available.

If we furnish the water, Southern Calif should at least arrange to store it.

Use additional sheets if necessary.
