Attention Mr. Rick Breitenbach
1416 Ninth Street, Suite 1155
Sacramento, CA 95814

Dear Mr. Breitenbach:

**Comments on Draft
Programmatic Environmental Impact Statement
Environmental Impact Report**

Central Basin Municipal Water District (Central Basin) and West Basin Municipal Water District (West Basin) recently adopted comments regarding the Draft Programmatic Environmental Impact Statement/Environmental Impact Report (PEIR/EIS) for the CALFED Bay-Delta Program.

Attached are policy areas which Central Basin and West Basin believe CALFED should include or address in the PEIR/EIS. Areas of concern which are reflected in the policy areas include water quality, water supply reliability, water transfers, cost, water use efficiency requirements, and ecosystem restoration.

If you have any questions about our policy principles, please contact me at (310) 660-6258.

Sincerely,

Paul D. Jones II
General Manager
