Comment Form

Give Us Your Input!

Public input from thousands of Californians has already helped shape the CALFED Bay-Delta solution. However, there are many significant issues that still need to be decided. Please fill out this form and tell us what you think is important when developing an equitable, feasible and durable Bay-Delta solution.

Comments:

Water is a very big issue, we need to protect
our water rights ~~rights~~ If you start putting water
in the ground to store it what stops every one from
taking the water.

Use additional sheets if necessary.

Please clip out this form, fold, staple and return to:
