Public Comment

Date 6-23-98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Encourage conservation through education
& tax breaks is the real solution to our Bay Delta
problems.

Please implement measures which do not include
water diversion from the delta watershed.

I support long term water saving programs throughout
California. Through targeted tax incentives and education
we can replenish the Bay & Delta.
