The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Given the choice to landscape a pool in our yard  
I chose not to. Not only are pools expensive to upkeep,  
I would rather go to a fresh water lake or river.  
Conservation is the real solution to the Delta  
areas problems.  
I support any solution to water-saving programs.
