Project Location:

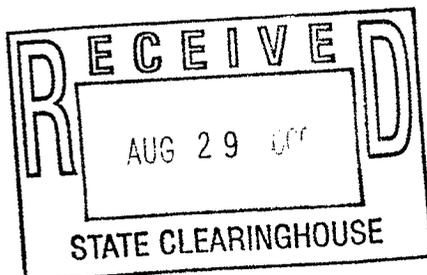

San Francisco Bay-Sacramento/San Joaquin River Delta and their corresponding watersheds; Southern California water systems' service areas; and a band of off-shore areas from Morro Bay to the Oregon border.

Description of Project:

To develop a long-term comprehensive plan that will restore ecological health and improve water management for the beneficial uses of the Bay-Delta system. The project purpose includes program-level plans to achieve the goals and objectives which address the four critical and interrelated resource areas of water quality, water supply reliability, ecosystem quality, and Delta levees and channel system integrity.

This is to advise that the Secretary for Resources has approved the above described project on 28 August, 2000 and has made the following determinations regarding the above described project:

1. The project will have a significant effect on the environment.
2. A combined Programmatic Environmental Impact Statement/Environmental Impact Report was prepared and certified pursuant to the provisions of CEQA.
3. Mitigation measures and strategies were identified and adopted for this programmatic EIS/EIR, and will be used as a basis for mitigation measures and as conditions of approval for second tier projects as set forth in the Mitigation Monitoring Plan.
4. Findings were made pursuant to CEQA.
5. A Statement of Overriding Considerations was adopted for this project.

The Final Programmatic EIS/EIR with comments and responses and the record of project approval is available to the general public at the offices of the CALFED Bay-Delta Program, 1416 Ninth Street, Room 1155, Sacramento, CA 95814. The custodian of the documents comprising the administrative record for the Secretary's decision is Acting Executive Director of the CALFED Bay-Delta Program, Steve Ritchie, or his successor. The location of the administrative record is the CALFED Bay-Delta Program, 1416 Ninth Street, Suite 1155, Sacramento, California 95814.

Date received for filing and posting at OPR: 29 August, 2000
