## 1990 CENSUS OF POPULATION AND HOUSING

### CPH-L TABLES

The CPH-L paper listings were created to supplement the information available through the Census Bureau's 1990 Census of Population and Housing tabulation and publication program. These listings cover a wide variety of topics such as race, place of birth, ancestry, citizenship, nursing home population, size rankings, language spoken at home, and educational attainment. Some of these tables are available on Internet at this time; please refer to the Subject List on the [Census Bureau's Home Page](#). Additional 1990 census data are available through the [American FactFinder](#).

If you wish to obtain a paper copy of a listing, please telephone the Statistical Information Staff, Population Division on 301/457-2422 to place your order, or mail a check made payable to Commerce-Census to: Statistical Information Staff, Population Division, Bureau of the Census, Washington, DC 20233-8860. Be sure to specify the CPH-L number of the product you are requesting. Please note that some listings in the series are available through other Census Bureau offices, and you should contact them directly for price information.
