

October 21, 1997

To: IDT Members

From: Rick Woodard 

Subject: October 22, 1997 Meeting

Accompanying this transmittal is an agenda for the October 22 meeting of the IDT, along with a listing of features that would be included in Optimized Alternative 1, as it is now envisioned.

At the October 22 meeting we plan to begin discussion of optimizing one or both of the remaining alternatives. If you have a preference for which of the two should be discussed first, please let me know by calling (916) 653-5422, FAX (916) 653-5699, or e-mail: rwoodard@water.ca.gov.

Thanks.
