Subject: Preparation for December 4, 1997 IDT Meeting

The following are suggested changes in team assignments for today's break out sessions that respond to comments I received. If any IDT members have another preference, we can still make changes at the meeting. The persons whose names are underlined have lead responsibility.

Patrick, Pete, Gary, Dick - Diversion Effects on Fisheries
Delta Flow Circulation
Storage and Release of Water

Ron, Rick W., Karen - In-Delta Water Quality
Export Water Quality (So. Delta)
Export Water Quality (Contra Costa)

Tom, Mark Cowin,
Kathy, Marc Cocke - Water Supply Opportunities (Diverters)
Water Supply Opportunities (Environment)

Rick S., Dave, Penny, - Water Transfer Opportunities
Fred, Steve
