August 26, 1982

District Engineer
Corps of Engineers, Sacramento District
650 Capitol Mall
Sacramento, California 95814

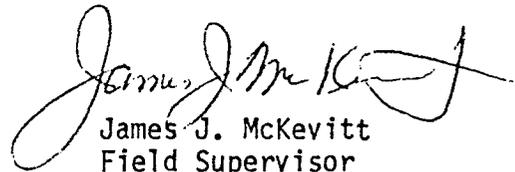

Subject: Corps of Engineers Sacramento-San Joaquin Delta Investigation.
Draft Fish and Wildlife Coordination Act Report.

Dear Sir:

Enclosed for your review are five copies of our draft Coordination Act Report on the subject investigation. Please provide comments to us by October 1, 1982, so that we may complete the final report as per our scope of work.

Please direct questions regarding the subject report to Service biologist Mike Monroe at (916) 484-4108.

Sincerely,

James J. McKeivitt
Field Supervisor
