Dear Colonel Le Cuyer:

This letter is to inform you that The Reclamation Board intends to act as the nonfederal sponsor for Phases Two through Five of the Sacramento River Flood Control System Evaluation. The Board authorized this sponsorship at its February 16, 1990, meeting.

Nonfederal costs will be shared between the State and appropriate local agencies in accordance with the Water Code. The State's fiscal participation is, of course, subject to the appropriation of funds by the Legislature.

If you have any questions, please contact me at the above address or have your staff call Pete Rabbon at (916) 445-8984.

Sincerely,

for Alexander W. Johnson
